

Training

Business Language. Business Culture. Travel Language.

RABI's customized language and cultural training gives you and your team the skills you need to be confident and productive in your international client meetings.

Travel Language Classes: Quickly learn important words and phrases to get you through meetings and around town. With just a little more instruction, learn enough language skills to become conversational.

Business Language: Build confidence by learning industry specific vocabulary, local conversation starters, and current jargon.

Business Culture: Our experts will teach you and your team about business customs and cultural norms so that your meetings go smoothly and you make a good impression.
